

# LINTO MATHEW JOY

## CAREER OBJECTIVE

As a BCA graduate, I bring a robust skill set focused on innovative solutions. My expertise lies in algorithms and web development, where I have honed my proficiency in HTML, CSS, MySQL, and PHP. Through coursework and hands-on projects, I have cultivated strong analytical and critical thinking skills. I am enthusiastic about leveraging my technical knowledge and dedication to contribute effectively to a dynamic team in a challenging role within the realm of software and web development.
